

Getting Started With Dental Select's Provider Web Portal

➔ Get an account.

1. **CALL** Member Services at (800) 999-9789
2. **TELL** the Member Service Representative that you would like a Provider Portal User Account.
3. **ANSWER** a few questions and we do the rest!
Your account will be created and we will email you the details.

➔ Logging in.

1. **ACCESS** The Provider Portal at dentalselect.com. Just open the Providers section and you'll see the access link in the upper right.
2. **LOG IN** using your username and password to get access to all the great features available.
3. **USE** the portal every day to find out the information you need to help your patients.

➔ Features!

Dental Select has created a portal just for you to help you easily find information about

- Benefits & Coverage
- Maximums & Deductibles
- Claims status updates
- Explanation of Claims Payments

Just call and get set up today!
